PERTH ROYAL FOOD AWARDS

2026 STATS

872 ENTRIES

22 JUDGES

16 STEWARDS

The Perth Royal Food Awards celebrate the finest in Australia's food and beverage industry, recognising the best producers across various categories and providing a prestigious platform to showcase their products.

By participating, producers can benchmark their offerings against industry standards, gain valuable insights from an independent panel of expert judges, and compete for recognition in one of Western Australia's most respected food and beverage award programs.

Wine Competition

The Perth Royal Food Awards - Wine competition is Western Australia's leading wine competition, with a proud history dating back to 1843, when wine was first judged as part of the Perth Royal Show.

Today, the competition continues this long tradition of recognising excellence in winemaking and celebrating the quality, craftsmanship and integrity of wines produced across Australia and internationally.

Winemakers are invited to submit their wines to be assessed by respected judging panels comprising local, interstate and international experts. All wines are evaluated through a blind judging process to ensure each entry is assessed fairly and independently.

Entries span a wide range of wine styles and classes, including sparkling wines, white wines, rosé, red wines, fortified wines and other specialty styles. Each class is judged against standards specific to that wine style, providing producers with an opportunity to benchmark their wines against industry expectations.

A medal awarded through the Perth Royal Food Awards represents a respected mark of quality within the wine industry. Winning wines gain valuable recognition from buyers, retailers and wine consumers, helping producers build credibility and showcase the strength of Australian wine.

Steve Flamsteed
Chief Judge

Steve is a Director and Senior Consultant at Wine Network Consulting. He brings 30+ years of winemaking experience and industry knowledge to his work with clients and is well known for his expertise in cool climate winemaking, particularly Chardonnay and Pinot Noir.

In 2016 Steve was awarded Australian Gourmet Traveller Magazine's Winemaker of the Year and was named the Wine Communicators Victorian Legend of the Vine in 2019. Last month, Steve secured Winemaker of the Year in the 2027 Halliday Wine Companion Awards.

During his 17 years as Chief Winemaker at Giant Steps in the Yarra Valley, Steve's reputation for producing clean, site-expressive wines achieved great success for the brand and established his reputation as one of Australia's most successful winemakers.

A highly experienced wine judge, Steve is also regularly involved in training sessions for up-and-coming associate judges. He is a committee member for the Yarra Valley Wine Show, Victorian Pinot Noir Workshop, and the James Halliday Chardonnay and Cabernet Challenge. Steve is also a regular guest speaker at technical workshops and presentations throughout Australia and New Zealand.

Steve's background as a chef and cheesemaker led him into the world of wine after studying in France and working at Château du Bluizard in the Cote de Brouilly. He went on to complete a Bachelor of Science (Wine Science) at Roseworthy Agricultural College and is a Len Evans Tutorial scholar. Steve has also worked for Leeuwin Estate in Margaret River and Yarra Burn Winery in the Yarra Valley, and has completed several vintages overseas including in Alsace, Provence and Brouilly.
