2026 SCHEDULE

Acknowledgement of Country

The Royal Agricultural Society of Western Australia acknowledges the Traditional Custodians of country throughout the West Australian region and their connections to land, sea and community.

We pay our respect to their Elders past, present and future and extend that respect to all Aboriginal and Torres Strait Islander peoples today.

Disclaimer
The Royal Agricultural Society of WA makes every attempt to ensure that all information contained within this schedule is correct at the time of printing, however the Royal Agricultural Society of WA reserves the right to change such details as may be required.

The Harness competition comprises horses and ponies which are divided into Carriage Driving, Race Cart and Heavy Harness competitions.

Horses are judged on conformation, presentation, manners, and paces within their field. Carriage driving is the discipline of horses working with either two or four wheeled carriages presenting an elegant spectacle. Heavy Harness horses are presented in harnesses with vehicles simulating the traditional work draft horses were bred to do. Race cart competitions showcase the Standardbred racehorse in their post-racing careers as show horses.
