IF EQUIPMENT IS NOT LISTED YOUR APPLICATION WILL NOT BE ACCEPTED.

Equipment Description	Wattage required

Diagram of Stand

Please provide stall layout with power connection marked. If this is not provided your connection will be placed at the centre of the site (or at the Event electrician's discretion) and may not be able to be moved.

Terms and Conditions

- Multi-way outlets (power boards) with overload protectors must be approved for use by the Event electrician.
- No person is permitted to carry out electrical work on RASWA grounds other than the event electrician, unless otherwise approved by RASWA.
- **NOTE: DOUBLE ADAPTORS ARE NOT PERMITTED ON SITE AND WILL BE REMOVED IF FOUND IN USE.**
- Testing and Tagging carried out during bump in and/or the Event will incur a late fee of \$25.00 + GST unless booked in prior.
- All Vendors agree and acknowledge that leads are not supplied with electrical connection points. Hiring of leads is to be discussed with RASWA prior to **14 August 2026**. Pricing is given on application.
- Once all ordered electrical connections are in place, the Vendor is responsible for plugging their equipment in.
- All electrical equipment must have current test tags. The Event electrician has the right to remove any electrical defective equipment that does not have a current tag and does not comply with Australian Standards.
- Unnecessary delays or late entry surcharges can be avoided by ensuring that RASWA receives your completed electrical requirements form by **14 August 2026**. In the event of cancellation or withdrawal from the Show by an Exhibitor, all monies will be forfeited.
- I/we hereby apply to have electrical requirements installed by the Event electrician, subject to the conditions listed in the Perth Royal Show Site Rules and Regulations.
- I have read and agree to the conditions of supply.
