2026 SCHEDULE

Acknowledgement of Country

The Royal Agricultural Society of Western Australia acknowledges the Traditional Custodians of country throughout the West Australian region and their connections to land, sea and community.

We pay our respect to their Elders past, present and future and extend that respect to all Aboriginal and Torres Strait Islander peoples today.

Disclaimer

The Royal Agricultural Society of WA makes every attempt to ensure that all information contained within this schedule is correct at the time of printing, however the Royal Agricultural Society of WA reserves the right to change such details as may be required.

To promote public awareness of recognised dog breeds & their importance as pets and companions by providing an international showcase and working competition.

Nearly a thousand dogs will be judged at this year's Perth Royal Show with canines from all over the country showing off their best form in front of a team of expert judges. Dozens of breeds are on display from adorable poodles to the majestic great dane, with groups of breeds taking their turn each day to parade in front of international judges inside the Dog Pavilion. Performance dogs in Australia are specially trained canines that participate in a variety of athletic and skill-based activities such as agility, obedience, and scent detection. Their purpose goes beyond entertainment; they showcase the intelligence, agility, and working abilities of different breeds. These dogs play a vital role in promoting responsible pet ownership, breeding standards, and the benefits of dog sports in both rural and urban communities.
